Company Attorney.

I Sheryl Z. Carter filed my proof of claim in a timely manner. All the other Carter claims was disallowed due to the cases being under Belfhi Corporation not (Gm) Motors Liquidation Company when I Sheryl Z. Carter filed my claim or claims in a timely manner that claim should have been place under the Dex-Cool class settlement and any claim that has to do with the Auto Industry claims. My proof of claim should have been apply to the Dex-Cool class settlement, and above claim instead of applying all my proof of claims to Motors Liquidation Company from my

Claims against Belphi Corporation. I Sharyl
Y. Carter do not understand how and
why these claims were duplicated in
(2) two different courtrooms under (R)
two different judges. For all these years.
I have to find out at the end of me,
Sharyl Y. Carter spending all this money
that I did not have for these replies,
and responses to keep my claims. Active
I continue to be harass, mislead, misguide
with all these claims, replies, responses,
funds spent double and triple for all
these years. Now to find out that
(Lem) Motors Liquidation Company and
their attorneys to say I Sharyl Y. Carter
did not file in a timely manner, and

that I Sheryl J. Carter do not have
a claim in the box-club class

Settlement. Why this decision could
not have been stated and decided
early on in the beginning when all
my claims against the Company, (GM)
Motor Liquidations Company and its
affiliated Leptors first started out.

I respectfully ask of you Honorable
Judge Robert E. Becker to look into
this matter, as to if these attorneys for
Motor Liquidation made the right decision.
I know at the last Hearing you, Honorable
Judge Robert E. Becker gave the Attorneys
a chance to look into this matter.

To find out that a response, reply to me Sheryl J. Carter was made quickly, then the couple of years it took for the attorneys at Motor Liquidation Company and their affiliated sectors to state my claims are duplicated, and the claim of Dex-101 Class Settlement is disallowed.

I Sheryl J. Carter believe that claims or claim is allowed against Motor Liquidation Company (Am) and their affiliated sectors. According to The Auto Industry Task Force, Secretary Timothy Geithner former Vice President Ratchick and former White House manufacturing advisor Ron Bloom. (Also enclosed copies of car repairs.)
Thank You.

Sincerely,
Sheryl J. Carter
